Xbox Live Gold is a subscription-based service that allows players to access various online multiplayer games, game demos, and other exclusive content. While it is a paid subscription service, there are ways to get an Xbox Live Gold subscription for free, and this article will cover some of the ways you can do this.1. Xbox Live Gold 14 Day Free Trial: Xbox offers a free trial of Xbox Live Gold membership for 14 days to first-time users. You can gain access to this free trial by creating a new Xbox profile, logging into your account, and selecting the Gold- 14 Day Free Trial option. This is an excellent way to test out the service and determine whether or not you want to make a purchase.2. Microsoft Rewards: Microsoft Rewards is a program where users can earn points by completing various activities such as completing surveys, searching the web using Bing, and buying things from the Microsoft store. These points can be redeemed for Xbox Live Gold membership, gift cards, and other rewards. With a little effort, you can earn enough points to get a free subscription to Xbox Live Gold.3. Game Pass Ultimate: The Xbox Game Pass Ultimate offers access to a pool of games and Xbox Live Gold all in one subscription. Its a pretty great way of getting the Xbox Live Gold subscription for free since, by subscribing to the Game Pass Ultimate, you also gain access to Xbox Live Gold. You will need to keep your subscription active to keep accessing online games.4. Promotions: Xbox frequently runs promotions where they give out codes for free Xbox Live Gold subscriptions. These promotions can be found by following Xbox social media accounts or subscribing to their mailing list. Keep an eye out for these promotions and take advantage of them when they come up.5. Giveaways: Many websites and social media accounts regularly offer giveaways for free Xbox Live Gold subscriptions. It is advisable to participate in these giveaways, as the chance of winning is relatively high.In conclusion, there are several ways to get an Xbox Live Gold subscription for free. You can take full advantage of the Xbox Live Gold 14-day free trial, participate in promotions or giveaways, earn points through Microsoft Rewards, or subscribe to the Game Pass Ultimate. Each of these methods has its advantages, and trying them out can lead to substantial savings in your gaming budget Xbox Live Gold is now Xbox Game Pass Core. Enjoy online console multiplayer games, plus get access to over 25 high-quality console games on Xbox SeriesX|S and Xbox One. Xbox Live Gold members automatically get Game Pass Core. LEARN MORE If you're an existing Xbox Live Gold member, you don't need to change anything. You will continue getting the benefits of online console multiplayer, plus if you have an Xbox SeriesX|S or Xbox One console you'll get access to over 25 high-quality console games at no extra cost. Play together with online console multiplayer Games catalogue Two games a month with Games with Gold Catalogue of over 25 high-quality games Member deals and discounts of up to 50% off selected games Play selected, fully featured games with Free Play Days Price 6.99/month 6.99/month What happened with Xbox Live Gold? Starting 14 September 2023, Xbox Live Gold transitioned to Xbox Game Pass Core. Players will still have access to online console multiplayer, plus they get access to a new collection of over 25 great games to play on Xbox SeriesX|S and Xbox One consoles. If you are a current Gold member, you don't need to change anything everything will update automatically for you. Can I still redeem an Xbox Live Gold code? If you have an Xbox Live Gold code, you can redeem it for Xbox Game Pass Core at a one-to-one ratio. Is Deals with Gold ending? Xbox Game Pass Core members will continue to get member deals and discounts of up to 50% off selected games. Is Games with Gold ending? As of 1 September, players will no longer receive new games to claim monthly with Games with Gold. On 14 September, the Xbox Game Pass Core catalogue of over 25 high-quality games replaced Games with Gold. Players will still be able to access any Xbox One games they redeemed through Games with Gold if they remain a Game Pass Core or Game Pass Ultimate member. Regardless of subscription status, any Xbox 360 titles redeemed via Games with Gold in the past will be kept in a players library. Looking to get an Xbox Live Gold subscription for free? We have had news and good news. The bad news is that most offers you see for "free" Xbox Live Gold are scams. They either redirect you through endless amounts of ad-filled surveys, or try to steal your personal information in exchange for a "free" membership. Don't believe them. The good news is, there are a few legitimate ways to join Xbox Live Gold for free. Use a free trial card included with select games. When you buy certain titles, they include a prepaid card for a two-, three-, or 14-day Xbox Live Gold trial. Multiplayer-focused games, like Destiny 2, are more likely to contain these. Watch for free weekends of Xbox Live Gold. Occasionally, Microsoft will let you play online without a Live subscription for a few days. Use Microsoft Rewards to earn free Xbox Live Gold. This is the best solution for saving on Gold in the long term. Microsoft Rewards, previously Bing Rewards, gives you points for using Microsoft services. Head to the Microsoft Rewards homepage and sign in with your Microsoft account, then you can start earning points. You can earn points every day by searching with Bing, actively using Microsoft Edge, and completing offers on the Rewards homepage. You'll also earn points if you buy anything from the Microsoft Store, like apps and games. As long as you earn 500 points per month, you'll become a Level 2 member – this lets you earn more points and receive adiscount onyour Xbox Live Gold redemption. A three-month membership to Xbox Live Gold costs 16,000 points. If you use Edge regularly, remember to search with Bing, and complete special offers, you should be able to keep your membership topped off with ease. And thus you can enjoy all of Xbox Live's benefits while paying less or potentially nothing. Do you use Microsoft rewards? How much free Xbox Live Gold time have you gotten for free? Join Microsoft Rewards to earn Microsoft Points, which you can redeem for free subscriptions.If you're planning to upgrade, Xbox consoles and controllers usually come with a gift cardTake advantage of free trials or promotions like Free Play Days. This article covers four ways you can get a Game Pass Core (formerly Xbox Live Gold) subscription for free. Microsoft Rewards, as its name suggests, is a rewards program run by Microsoft that allows you to earn Microsoft Points and redeem them for a range of prizes such as Game Pass Core free subscriptions. You can also earn Xbox Gift Cards with Microsoft Rewards, which can be redeemed for free subscriptions, as well. Microsoft Points can be earned by completing daily quizzes and polls, performing web searches via the Bing search engine, clicking on selected links, and buying movies, TV series, apps, and video games through the Microsoft Store on Windows 10 PCs and Xbox consoles.Make sure to install the free Microsoft Rewards app on your Xbox One or Xbox Series X console to gain access to extra point-earning tasks. Its very easy to earn points with Microsoft Rewards, and simply completing the daily tasks can often be enough to unlock free subscriptions on a very regular basis. All Xbox consoles and first-party Xbox controllers typically come with a free gift card. The Xbox gift card can be redeemed whenever you like, and it can also be given to a friend or family member for them to apply to their own accounts.Only one user on an Xbox One or Xbox Series X console needs a Game Pass Core subscription for everyone to enjoy online multiplayer gaming. You don't need a subscription for each player. The length of the free subscription can vary from a few days to two weeks, and you can add as many gift cards as you like to stack the rewards. For example, if you get a free 14-day card with an Xbox console and another with a new Xbox controller, you can apply them both to get 30 days of Game Pass Core membership for free. Xbox Free Play Days are special events that occur every Saturday and Sunday and allow Game Pass Core and Ultimate subscribers to play two or three video games for free. Occasionally, Xbox Free Play periods are accompanied by a special free multiplayer promotion, which allows all Xbox console owners, regardless of membership status, to play online matches as if they had upgraded to the paid tier. Such promotions are usually announced several days beforehand on the official Xbox social media account and Xbox blog. All new Xbox accounts are given a free trial when they first log in to an Xbox console. While you likely won't want to create an entirely new account to use for your gaming, you can create a new one to activate its free trial and then continue using your existing account to play online on the same console. Remember, only one account needs to have Game Pass for everyone to enjoy its benefits.Your billing method will be charged when the trial period is over, so make sure to cancel your trial before then. Xbox Game Pass is a Netflix-style subscription service that gives subscribers full access to around 100 Xbox-branded video games every month on Xbox One and Xbox Series X consoles. Xbox Game Pass Ultimate is a higher tier of Xbox Game Pass that includes access to both the Xbox console and Windows 10 versions of the service, plus the usual perks of multiplayer and online chat. Much like free Game Pass Core trials, Microsoft may also offer Ultimate trials to new accounts or give them away in the form of gift cards. Given that Ultimate includes the features of Core, these trials are good ways to get all of the benefits for free. If you have a free Xbox Network account, which is the same thing as a Microsoft account, you can play Xbox-branded video games on your Xbox consoles, Windows PCs, and via the cloud with Xbox cloud gaming. Basic Xbox network accounts are completely free and provide gamers with the ability to back up their game saves to the cloud, connect with friends, and unlock Xbox Achievements.An Xbox network account is basically just a Microsoft account thats used to access Xbox-related media and services. The same account used for Skype, Outlook, Office, etc., can be used as an Xbox account by logging in with the same username and password. However, to play online multiplayer titles such as Fortnite and Destiny 2, you need to upgrade to at least a Game Pass Core membership. Fortunately, there are a variety of easy ways to enjoy some online connectivity without the need to pay for a monthly or annual subscription.Thanks for letting us know!Get the Latest Tech News Delivered Every DaySubscribeTell us why!
