We also use 'home compostable' garment bags. As a small business, we want to make a difference, by improving the lives of people in need, and protecting and supporting our natural environment. The projects and charities we support are carefully chosen to have a long-term and positive impact on people's lives and the planet we share. We design clothing our customers love to wear, in a more ethical and sustainable way, enabling us to support charities close to our hearts. 2% of every sale is donated to social and environmental causes, and a over 200k trees planted through Ecologi.
