The Speed 400 and Scrambler 400 X, two all-new motorcycles joining Triumph's iconic modern classic range. With their characterful and responsive new 400cc engine, accessible ergonomics and high specification, these new machines offer class-leading performance and an agile and confidence-inspiring ride. 900CC ENGINE Triumph's 900 cc parallel twin, Modern Classic range of motorcycles, delivers thrilling performance and confidence inspiring handling. Each of Triumph's 1200 cc parallel twin range of motorcycles, has its own unique, authentic character and style. View Detail Authentic Scrambler style with class-defining adventure ready capability; the Scrambler 1200 is the real deal. View Detail There are two thrilling options - the 'high-torque' HT 900cc and HP & HT 1200cc. Both enhanced for 2021 and both with lower emissions and excellent fuel economy. Each motorcycle has its own unique, authentic character and style, enhanced for 2021 with an even greater level of beautiful finish and detailing. Today's Triumph Modern Classic family is directly descended from the '59 Bonneville, the original British motorcycle icon and the genesis for generations of motorcycle sub-cultures and the many flavours of modern classics in the line-up today. High specification suspension and brakes deliver an agile and dynamic ride, while the latest generation of electronic riding modes, ABS and traction control maximise safety and control. There's no mistaking the iconic Bonneville silhouette, and each model is packed full of little touches and beautiful details that echo the timeless design of the original. First used in the 1930s and seen on some of the most iconic bikes of the past, this heritage logo now lives on our best-selling tee.
