As one of the largest Cabela's stores, we pulled out all the stops to bring a serious outdoor experience to the Keystone state. Located just off I-78, the massive 250,000 square foot retail showroom is packed with outdoor equipment and experienced Outfitters who are ready to help you get the most out of your next adventure. Upon entry, you'll discover why we have become a destination from the geese flying overhead to the wildlife and fish mounts throughout the entire store. We also feature, 3 wildlife exhibits and 2 live fish exhibits. Our 30 foot tall Conservation Mountain, features two waterfalls and 126 mounts including a record breaking black bear, non-typical elk, moose, four species of bear, caribou, muskoxen, the North American Sheep "Grand Slam" and so much more. The African Diorama features the "Big 5" with an elephant harvested by Cabela's founder Dick Cabela, a rhino harvested by Jim Cabela, lions, hyenas, zebras, crocodiles and more.
