Windrock Park The trail system is open 24 hours a day, 7 days a week and 365 days a year. All types of off-road vehicles are welcome.73,000 acres of land with over 300 miles of trails...it's time to play! What are the trails like, you ask?EASY: Hit those gravel roads for a fun, scenic drive.MODERATE: Some dirt, some rocks and some ruts make these trails a bit more exciting.DIFFICULT: Step it up. It's all the above and more dirt, more rocks and more ruts!EXTREMELY DIFFICULT: You sure about this? Boulders and cliffs and questions...OH MY!Finally! Online permits are available. Remember, annual permits are 365 days from date of purchase. Please remember that anyone under the age of 18 is required to wear a helmet to ride on Windrock Park's Trail-System. Everyone entering Windrock Park's trail system must have a permit.Guess what? There's a GPS navigational map app available for purchase. This is where you find the most up-to-date information about our trail system. This app is available in both Apple and Google Play stores now! If this sounds like something your company might be interested in, please give us a call at 865-392-1820 ext 104. From: All automated route planning methods such as GPS and Web based systems have similar limitations. While they tend to be reasonably reliable in navigating from one cultural feature to another (between cities, towns, schools, hospitals, airports, etc.), they are less reliable in extremely rural and wilderness settings. In these situations, all automated route plans should be viewed with skepticism regardless of their source. See: "Outdoor Navigation With GPS" published by Wilderness Press. B-G-E-B. Park where the pavement ends and climb (+1000') to the radio towers. At Silvey Gap (2760', 1.5 miles from B), you can climb the dirt road to the right or continue up the gravel. The dirt road intersects gravel after 0.8 miles. To the left, climb to the radio towers (G, 3380'), or descend to the next right and ride to Sugar Tree Gap (E) and then follow the Windrock seam back to B. (Note, as of 12/96 there is active mining on the east face of the Pinnacle just west of Sugar Tree Gap, the gnarly descent is now graded, but this area should be avoided.) From the radio towers, there are some mountain top rides to the northwest to Patterson Mtn, or the north to Hannah Top, or to the northeast along the top of Buffalo Mtn. for 8 miles to J.
