MARKET STREET SHOES2232 NW Market StSuite 101Seattle, WA 98107Monday-Saturday 10-7, Sunday 10-6 The brands we carry at Super Jock 'n Jill change constantly as we are always searching for the best products for our consumer. Our buyers do a great job of picking what they think are the best products to serve the different needs of our customers. We hope we can do a lot of the homework for our customers in helping find great products at a great value. Store events are a great way for us to provide different resources to our customers. Every week, our Green Lake store hosts Medical Nights to meet local Medical Providers to get quick feedback. We will host fun group runs throughout the year at both stores. Community is a big part of what motivates us. As a small, local company we feel an obligation to be more than just a retail store. We provide support for events, local Track and Cross Country teams and donate hundreds of shoes to different organizations throughout the greater Seattle area each year. We want to help as many people stay active and healthy as we can. We are a great resource if you need info on local events, new running or walking courses, are in need of a Personal Trainer or Physical Therapist or just need a good place to eat in the area. We want Super Jock 'n Jill to be a place where people can start their run or walk or just come in and talk about local running events or how they did at their most recent marathon. Whether you are hiking, running, or walking it's always better when your feet feel great. That's why Sole Perfection Shoes carries the best brands and has more locations than any other comfort shoe chain in the Puget Sound area.
