Update: Starting April 2025 for the digital ACT, the ACT format has changed to include fewer questions per section, allow more time per question, and make Science an optional section. See our updated post on [How to Prepare for the ACT](#) for how to modify your ACT practice tests for the new format. The question types on the ACT remain unchanged! Looking for an ACT practice test? You've come to the right place! Whether you prefer practicing online or with a traditional paper test, we've got you covered with both an interactive online version and a downloadable PDF. Which is the best choice for you? We recommend that you pick the version that matches how you'll be taking the actual ACT exam on test day. Paper PDF Version: [Free ACT Practice Test with Answers and Explanations](#) Magoosh's full-length ACT sample test has been perfected over the years by Magoosh's ACT experts, who have decades of experience teaching the ACT exam. Practice tests are an essential part of ACT prep, so this is a great place to start. To access our practice test PDF (featuring all ACT sections, including the optional essay, as well as the answers and explanations at the end), just enter your email: Again, on test day, if you'll be taking the ACT exam on paper, then we do recommend that you practice the test in that format. Why? Ultimately, you want your practice to be as close as possible to the real deal so that you don't run into any surprises at the test center. But if you'll be taking the actual exam on a computer, then head to the section below to practice in that format. Online Version: [Take the Free ACT Practice Test on a Computer](#) You can take the entire practice test online, or you can sample individual test sections. Either way, follow the link below to head to our ACT practice test start page: [>>>Free Magoosh ACT Practice Test](#)
